# About Us

PERA is:

- ❖ a scientific, voluntary, non-profit, non-political organisation
- ❖ dedicated to the advancement to the educational research and practice in Poland, including:
  - ✓ building education research capacity,
  - ✓ public engagement in education research,
  - ✓ advancing education research policy and practice.

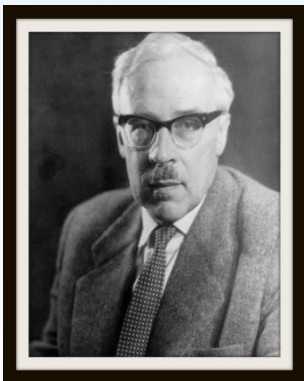

# About Us

It was founded in 1981.

The members of Polish Academy of Science has initiated the proces of founding the Association:

- ▶ Profesor Wincenty Okoń,
- ▶ Profesor Bogdan Suchodolski.

- Approximately 450 members
- Different types of membership: full member, associate member, corporate member, and honorary member

# About Us

- Member of EERA (since 2008), member of WERA (since 2015)
- As a member of EERA and WERA, the Polish Educational Research Association is more able to undertake initiatives that are European and global in nature and thus transcend what it can otherwise accomplish.
- Membership of EERA and WERA provide effective networking opportunities for members of the PERA.

# About Us

POLSKIE  
TOWARZYSTWO  
PEDAGOGICZNE

- ▶ The development of our educational research and Society is provided by the National Educational Research Congress.
- ▶ The Congresses have become a permanent institution and important points of orientation in contemporary educational research in Poland.
- ▶ They are important both for members of the Society and for the whole academic community in our country.
  - ▶ Inagural PERA Congress: 1993, Rembertów, Warsaw: „Evolution of the educational research identity”
  - ▶ PERA Congress 2019, Warsaw, „Educational research and education in the face of crisis of Trust, Community and Autonomy”

The logo for the Polish Educational Research Association (PTP) features the letters 'PTP' in a bold, blue, sans-serif font. The letters are slightly stylized, with the 'P' and 'T' having a unique shape. The logo is centered within a white square, which is itself centered on a dark blue background. A horizontal blue bar passes behind the white square, and a vertical lime green bar is visible on the right side of the slide.
